### Experience

2017 - present

#### Web Development/Free Lancing

*Home Away From Home*

Created and still currently working on a web site for a daycare in Savannah, GA called "Home Away From Home". The website is live and currently displays their curriculum, is mobile responsive, about me page, and jot form that allows clients to sign up and send the information directly to the owner. <https://dderrickmatheww.github.io/HomeAwayFromHome/>

2016 - present

#### Sales Trainer

*Cellular Sales*

I am a mentor/trainer now at Cellular Sales. Cellular Sales is a Verizon Authorized retailer. We get hands on the newest devices from some of the biggest companies in the world such as Samsung, Apple, and Google. As far as training, I have a trainee every 4 weeks and show them what it takes to succeed in a sales environment.
